CDL License Training Classes Available.

Phone: 610-743-7630

Fax: 610-288-0775

Berks Career and Technology Center offers a 150-hour professional tractor trailer driver training program that prepares students seeking careers in the motor carrier field to obtain their Commercial Driver's License (CDL).

SAFETY INSPECTION MECHANIC PA (CERTIFICATION)

Pennsylvania Safety Inspection Mechanic training program and test is required in order for technicians to receive their state inspection license in categories 1 (Passenger cars/trucks 17,000 lbs. or less/trailers 10,000 lbs. or less), 2 (Motorcycles), or 3 (trucks over 17,000 lbs./ trailers over 10,000 lbs./buses). This course includes a 4-hour tools class that provides instruction in the hands-on use of measuring tools used for the state inspection.

It is recommended that applicants have an understanding of basic auto mechanics, including brakes and alignment, to succeed in this program.

The tactile test is administered individually within 30 days of the last class. Fee includes book baseline exam. Additional categories are \$40 each with the exception of trucks which is a total of \$80. Call 610-743-7630 to receive the MV409 application, or download the application from our website: www.berkscareer.com
