

## **Repeated Course Work**

Students who are unsuccessful in their first attempt at coursework and are required to repeat class work, clinical experiences or an entire level of training are NOT eligible to continue to receive financial aid during the repeat period nor are they eligible to apply for additional financial aid to cover the cost of the repeated coursework. All financial aid is cancelled during the repeat period and then re-instated when the next payment period is reached as long as the student maintains the ability to complete the training with 150% of the scheduled clock hours. Students are responsible to pay costs incurred for repeated coursework on their own. Students who withdraw from training for 180 days or more and then return to training regain full financial aid eligibility upon their return.
